Met Office Aberdeen Meteorologist's View
Winter conditions on the hills with some hard, icy snow fields.

Forecast for Monday 11 Apr 2022
Weather: Most of the day will be dry although there will be a lot of cloud. Outbreaks of snow, with rain at lower elevations, will spread north from late afternoon onwards with all ranges seeing some precipitation in the evening. Cold and windy, summit gales.

Maximum wind: Southeasterly gusts 40 to 50 mph on the tops

Chance of cloud-free hill tops above 800m: 70%

Low Cloud and visibility: Generally very good with cloud mostly above the tops for much of the day. Cloud down to 600 metres will become more widespread during the evening period

Temperature: **Glens:** Minus 1 rising to 11 Celsius
At 800m: 0 Celsius
Freezing level: 800 to 1200 metres
